

A young man with red hair is water skiing on a lake. He is wearing a blue and black life vest, a black harness, and striped shorts. He is holding onto a black handle connected to a rope. The water is splashing around him, and he has a joyful expression. In the background, there is a dense forest of green trees and a small boat on the water to the left.

- Dear Anth,

As my eyes fill with tears, I want you to know that they are both tears of joy and sadness. I miss you so much Anth. I rejoice that you're home, I rejoice in your life and who you were, I rejoice in our Father and the assurance we have in Him. But I grieve too... I miss you. That's all there is to say, I miss you Anth!

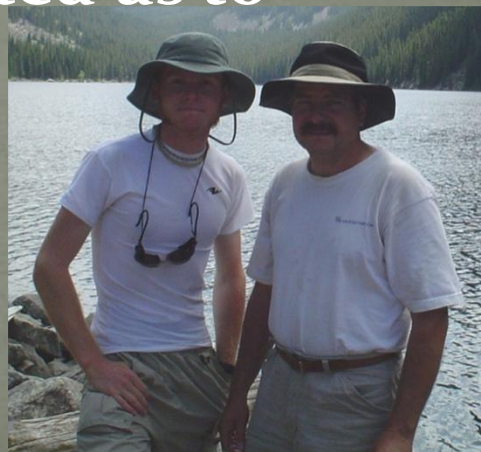

# Ladonna Vietti (Mom)

- I just realized that when people say "walking with the Lord" has now taken on new meaning! Anthony REALLY IS walking with, as in next to, hand in hand, with the Lord! If only my heart would quit hurting and my mind be at peace for where he is and not in turmoil at where he isn't. Ladonna Vietti- Facebook

# Jon Vietti (Dad)

- If I didn't have the assurance that I could see Anthony again, it would be tough. The pain is so intense at times- as a parent you can identify if something happened to Caleb- it is a temporary loss but unbelievably tough.
- I focus on the fact that heaven isn't some concept- it is a real place. God created us to live with Him for eternity. This earth is not all that there is. We can look forward to a new heaven and a new earth.

THE HAVEN

# Romans 5

- **Peace and Joy**
- <sup>1</sup>Therefore, since we have been justified through faith, we have peace with God through our Lord Jesus Christ, <sup>2</sup>through whom we have gained access by faith into this grace in which we now stand. And we rejoice in the hope of the glory of God. <sup>3</sup>Not only so, but we also rejoice in our sufferings, because we know that suffering produces perseverance; <sup>4</sup>perseverance, character; and character, hope.

# Romans 5

- **Peace and Joy**
- <sup>5</sup>And hope does not disappoint us, because God has poured out his love into our hearts by the Holy Spirit, whom he has given us. <sup>6</sup>You see, at just the right time, when we were still powerless, Christ died for the ungodly. <sup>7</sup>Very rarely will anyone die for a righteous man, though for a good man someone might possibly dare to die. <sup>8</sup>But God demonstrates his own love for us in this: While we were still sinners, Christ died for us.

# Clackamas Sheriff's Department- Sheriff Craig Roberts

- More than anything else I personally witnessed during the mission, I was affected by the patience, the gratitude and the enduring faith of the missing climbers' families. From the start, they were worried about the safety of the searchers on the mountain, and their concerns only grew as conditions got worse...

# Clackamas Sheriff's Department- Sheriff Craig Roberts

- By the time I stepped up to the microphones to announce that the rescue phase of the search had ended, I felt like part of their family, and so did everyone else. That takes a personal toll on all of us. Over the course of a career, these experiences have lasting emotional impacts.

# More of God's love

GMIT

# New GMIT and GWIT

- Several years ago Anthony shared a vision with us for a ministry that would encourage teenage young men to develop integrity and a close personal relationship with Jesus, to develop a good hard work ethic, to develop outdoor skills, and a love for outdoor adventure. His God-inspired dream became a reality at Island Lake Camp in the form of G-MIT, God's Men in Training.
- God commissioned Anthony and a few others, including Luke Gullberg, to do the G-MIT "Beta testing" and it was a great success. Now we believe God has called us to pick up the torch and carry it and expand the G-MIT program to become available to churches and Christian camps in the Northwest, the nation, perhaps even internationally.
- LaDonna and I will begin the process of forming a non-profit organization and linking up with those who share the vision for this ministry program and want to be a part of it.
